

Environmental Policy

Acorn to Oaks Financial Services Ltd acknowledges its responsibility to, and the commercial advantages of, maintaining a sound environment.

We recognise the importance no matter how small, of the impact of our activities on the environment and that there is a need to constantly consider ways in which we can conserve energy and minimise waste in all activities that we undertake.

Acorn to Oaks Financial Services Ltd maintains a publicly available environmental policy that is available either on request or on our website. This policy is communicated to all persons working for or on behalf of the organisation.

Acorn to Oaks Financial Services Ltd actively acknowledges our responsibility to protecting the environment in all areas of our work. Specifically, we remain committed to reducing our impact upon the environment in the following ways:

Waste Management

It is our policy to work with our staff and suppliers to ensure that all waste is disposed of in line with legal and environmental requirements.

Recycling and use of Recycling Materials

To utilise, and promote the use of, recycled materials whenever possible, ensuring that materials are disposed of in an environmentally safe manner at the end of their useful life.

Energy Conservation

To manage electricity, water and gas supplies to ensure minimum consumption through energy efficient initiatives. It is our policy to make efficient use of natural light within our building and to conserve energy by adopting an 'only turn on when using' approach to equipment.

Environmental Management Awareness

To raise and maintain a high level of understanding of, and participation in, environmental best practices by staff and suppliers. Environmental objectives and targets are set and audited by the internal auditor, the Office Manager.

Pollution

Acorn to Oaks Financial Services Ltd is committed to and ensures the continual improvement and the prevention of pollution and will remain committed to this objective.

Legal requirements

We are committed to compliance with applicable legal and with other requirements to which Acorn to Oaks Financial Services Ltd subscribes that relate to our impact on the environment and our environmental aspects.

To ensure the organisation maintains its awareness for continuous improvement, the environmental management system is regularly reviewed and is subject to annual audit.
