

Acorn to Oaks Financial Services Ltd Complaints handling procedures

Acorn to Oaks Financial Services Ltd is required by the Financial Conduct Authority to have in place and operate appropriate and effective complaints handling procedures for handling any expression of dissatisfaction from its clients, whether oral or written and whether justified or not, about its general insurance related activities. These procedures must be written down.

Set out below are the procedures that we have put in place to ensure that complaints are handled fairly, consistently and promptly, and resolved at the earliest possible opportunity. Our objective is to resolve complaints internally, whenever possible, in order to minimise the number of cases where our clients need to refer the issue to a higher dispute resolution authority.

How to complain

If you should have any complaint we would ask you to make your complaint to Acorn to Oaks Financial Services Ltd at the following address:

Room G11, West Midlands House, Gipsy
Lane, Willenhall, WV13 2HA

You may make your complaint at any time and by any reasonable means (for example by letter, telephone, e-mail or in person) although we would prefer you to contact us in writing, detailing the precise nature of your complaint, so that there can be no misunderstanding.

How we will investigate your complaint

Acorn to Oaks Financial Services Ltd will record your complaint. The complaint will then be handled either by Acorn to Oaks Financial Services Ltd or, where appropriate, by an employee of sufficient competence who was not directly involved in the matter which is the subject of your complaint.

We will handle your complaint competently, diligently and impartially.

The person handling the investigation will have authority to settle complaints (including the offering of redress where appropriate) or have ready access to someone who has that authority.

How we will respond to your complaint

On receiving your complaint we will promptly acknowledge your complaint and will try to resolve your complaint at that stage. Where this is not practicable, we will send a written acknowledgement (usually within five business days) giving you the name and job title of the person who will be carrying out the investigation and detailing when you can expect to receive a response.

We will keep you informed on any progress made with the complaint and the measures being taken to resolve the matter.

Within eight weeks of receiving your complaint we will provide you with a written final response informing you of the outcome of our investigation. This letter will detail the nature and terms of any offer of compensation which we may consider appropriate or, alternatively, our reasons for rejecting the complaint. At this time we will also inform you that if you are dissatisfied with our final response, you may refer your complaint to The Financial Ombudsman Service.

Further information on the Financial Ombudsman Service can be obtained from their website <https://www.financial-ombudsman.org.uk/>

If the alleged complaint is not the firm's fault and may be attributed to the actions of another firm either wholly or partially then we may forward the complaint or the relevant part of the complaint to the other firm.

We will:

- a) forward the complaint promptly
- b) inform you promptly in a final response of why the complaint has been forward and the contact details of the firm now dealing with the complaint

c) where jointly responsible we will deal with the part of the complaint that has not been forwarded in line with our complaints handling procedures.
